CALIFORNIA-AMERICAN WATER COMPANY NOTICE OF EX PARTE COMMUNICATIONS

In accordance with Article 8 of the Rules of Practice and Procedure of the California Public Utilities Commission ("Commission"), California-American Water Company ("California American Water") hereby files this notice of its ex parte meeting with Commissioner Bohn's Advisor, Laura Krannawitter.

On Wednesday, May 30, 2007, at 9:30 a.m., David Stephenson of California American Water and Lenard Weiss of Steefel, Levitt & Weiss, counsel for California American Water, met with Ms. Krannawitter at the Commission. The meeting lasted approximately thirty minutes. Most of this meeting was spent addressing the Proposed Decision of Administrative

Law Judge Walwyn issued in A.06-01-005.¹ During the course of this meeting, however, Messrs. Stephenson and Weiss also discussed the consolidation of California American Water's Sacramento and Larkfield Districts proposed in the above referenced proceeding. This portion of the meeting consisted solely of oral communications.

Messrs. Stephenson and Weiss argued that consolidation of the two districts was necessary to ameliorate the impact of the proposed rate increase on Larkfield District customers. Messrs. Stephenson and Weiss also argued that without rate consolidation, Class A water utilities would have little incentive to purchase smaller systems.
